### S.A.L.P.

I am the co-founder of The South African Lacrosse Project (S.A.L.P.), which is a non-profit organization that betters the lives of children affected by HIV/AIDS through the sport of lacrosse. I started S.A.L.P. in 2007 and every year I, along with a group of coaches, teach a two week lacrosse clinic. S.A.L.P. has raised \$300,000 for the 1,000+ kids who have participated.
